

treatment

**We offer only one kind of treatment:
The one that's right for you.**

You are unique. One-of-a-kind. So is your condition. Its root cause and your diet, lifestyle and preferences all deserve special attention. That is why we believe in providing the right treatment for the right patient... and at the right time.

This philosophy has driven Dr. Schwartz to offer some of the most innovative treatments in the area. Today, after more than two decades of pioneering care, Dr. Schwartz provides effective treatments offered by few area doctors. And he gets excellent results most of them have noticed.

Innovative treatments that resolve the root cause...
